

# 20% OFF ROLLER BLINDS

A photograph of a bright, modern living room. A white sofa is positioned in front of a large window with white roller blinds. The room is decorated with a wooden coffee table, a wicker ottoman, and various decorative items like a vase with branches and a small sculpture. The lighting is warm and natural, suggesting a sunny day.

# Lifestyle Roller Blind Motors just \$220\*

## Motorise your blinds for just \$220 - 5 Year Warranty

Why not consider the convenience of motorising your roller blinds with our **Lifestyle25** motor. We are offering customers ordering new roller blinds for \*Pre August 2024 delivery, the option of motorising them for just \$220 per blind.

Motorised blinds are incredibly convenient & the technology is tried & proven! So cut the heavy lifting and let our **Lifestyle25** motor do all the work for you at the touch of a button. **PLUS** our DC motor system means there's no wiring. Simply charge the battery as little as every 6 months.

If you have a larger window or are using one of our heavy sunscreen fabrics we recommend you upgrade to our **Lifestyle28** motor for an additional \$40 per motor. Our **Lifestyle28** can raise & lower blinds up to 3300mm in width.

The charger & remote controller are bundled together for the low cost of \$150. Our remote controller can operate as many as 20 blinds in up to 6 groups - let our friendly team explain how a remote can make all the difference in your home. Charging is as simple as plugging in a USB-C cable.

**INSIDERS TIP....** we recommend you simply plug in a power bank to charge your motors! **It's so EASY!**
