### **Stainless Steel Security Doors & Screens**

We believe Clearshield is the best security door & screen when it comes to appearance, safety & peace of mind!

Made from a single piece of stainless steel, every Clearshield is custom made here in the Illawarra to fit your doorway or window. They are designed to be the easiest to clean, to keep out unwanted visitors & provide outstanding vision out.

We won't be beaten on any locally made, brand name security door or screen!

Ask about our Fire Attenuation Screens.

\* This offer applies to standard sized doors up to 830mm x 2120mm.

- Jamb adaptors, pet doors etc are extra.
